Vers 1:

E E7 A7 C9 E E7 A7 C9  
What a sound, every word is bouncing  
E E7 A7 C9 E E7 A7 C9  
Round and round, hitting every tile  
Who's that man, what is his intention  
If you can, you should make him smile

Vers 2:

What a light, nothing can be hidden  
Wrong is right, in this scary place  
Stainless steel, somebody is flushing  
Close that deal, they don't have a case

Meet the priest, or the copywriter  
Or at least, you should try the Judge  
Major Lars showing off as always  
Likes guitars and chews a tasty fudge

Someone well-experienced and with long and slender legs  
Try out the guy you want and especially the preacher  
He is something extra, man. You should test his ham, test his lovely ham  
and eggs.
