My dog's crying for me.

(A most amazing dog, he's a most amazing dog)

(A most amazing dog, he's a most amazing dog)

Take him to the vet.

My dog has a long knife.

(That's really terrible, oh that's really terrible)

That is bad for my wife.

(That's really terrible, oh that's really terrible)

She is fearing for life.

(That's really terrible, oh that's really terrible)

he sneakes up behind to bark.

Take him to the vet.
