

Advertising love (musik-Åberg, Text-Olsson/Åberg,960331)

For so many years
I have had my fears
There's no meaning hiding all my tears

Feelings that I keep
Pop up, in my sleep
As you know the river cuts the canyon oh so deep

Sun keeps rising (high in sky)
Not surprising (and I hear)
Advertising love (is now in the air)
Realizing (oh oh oh)
Compromizing (ooh yeah)
Advertisizing love (in the air)

Talking to your friends
Tie the open ends
Figure out on what it all depends

Colours that you see
Mean something else to me
Why are all the shadows grey explain and set me free

Sun keeps rising (high in sky)
Not surprising (and I hear)
Advertising love (is now in the air)
Realizing (oh oh oh)
Compromizing (ooh yeah)
Advertising love (in the air)

Turn myself away
From the things today
Every image can affect me
Upside down to recollect me
Is it right to question the delay
