

Anybody seen my gloves

(Åberg Songs Ltd. 02-08-06)

C Cdim Em..... (repeteras)

I've been searching all around
Got to have them for tonight
Really hope they will be found
Shouldn't left them out of sight

There's so much I cannot do when they are gone

I don't care about the germs
I'm immune to everything
With my gloves I can be firm
In all treatments I'm the king

While my gloves are missing, they feel nothing so they say

Just a pair of common gloves
Smooth and looking really cool
Quality that Rita loves
I must wear them, that's her rule
