

Close to you

vers 1

C G/C
I don't care what people say
F9
I love you any way
F9 Am Dm F
all in all it can't be wrong
G Gm
'cause with you I'm strong
Dm
it suddenly appeared to me

I have been in love before
I know this can give me more
Do you feel the same for me
I can never see
If there's a possibility

Refräng

F C/E
I, have seen you walk along the shore
Bb
have seen you look out to the sea
C C7
Do you ever think of me,.... ooh
F C/E
I, can hardly take my eyes from you
Bb Bbm
think of you when I am blue...shall I give you one more clue...
Am Dm Gm7 C11 C F9
And all I want is coming close to you

vers 2.

I wonder if you really know
is it right to take it slow
anybody has the chance
to take you to dance
and I can only worry me

so tomorrow is the day
when I put my fear away
I will tell you how I feel
how you're melting steel
I'm thinking of you constantly
