vers2.

Going out
heard a shout
think what life is all about
feeling well
what a smell
from a woman I can tell

Ooh, Milou
I look inside your eyes to get a clue....Milou
I know that you and I can get it through...Milou
No matter what the price will be for you

Refräng

F9 D#0 D D#0 D
And all the girls I meet, all have easy feet
Gm
and hair so long
F0 E F0 E
And if I pay the price, they all treat me nice

In the arms of you is just where I belong
