My wishes

(Åberg Songs Ltd. 04-08-05)

Eb Bb
Cleaning the desk, how did it come to this point?

Eb Bb
Leaving my room, I wasn't seen with a joint.

F Gm Eb
But they caught me, with a guy in Rita's ward

F Cm Ebm
I was careless, so I had to face the board

Foolish of course, I did my standard exam

He played along, I did not know 'bout his cam

It's a pity, leaving all my gloves behind

They just kicked me, guys like me are hard to find.

Refräng:

back to let

Bb F/A Ab6 Eb/G
My wishes, my wishes will be fulfilled any day

Cm Ab C# F
More girls will come, more boys will go and I will be black in my soul

Bb F/A Ab6 Eb/G
My wishes, my wishes, it's time to let them come true

Cm Ab C# F
I will resign, I will obey, but I do not care what they say

Saying goodbye, is never easy for me

Up in ward five, Rita is having her tea

Dare I tell her, 'bout that funny little boy

Shall I tell her, he was just a silly toy
