

# Right now

(Åberg Songs Ltd. 01-01-10)

Intro: / C / C / D / D / F / F / C / C /

C D7 F C  
Right now, standing so close together. Right now, pushing ourselves to go

D7 F C  
For love, this time will be forever. For love, something we have to do

Em F Dm7 G  
Your hesitation has clearly blown away

Em F Dm G  
My expectation is high and getting higher, getting higher

Right now, all stars have just ignited. Right now, you need to make your choice  
For love, can't you see I'm excited. For love, the story for girls and boys  
Make up your mind soon, I won't be here for long  
Tomorrow is full-moon and I must have an answer, have an answer

Stick:

Am Bb C/Bb F Bb  
All the time I hope that you will show your stethoscope  
F/A Gm Gm7

Oh, how I love that funny thing  
C C/Bb F Bb/F  
If you could ease my pain and ewoke my hope

F C Dm G7  
Let me try it and my heart will sing Oooo  
F C Fsus4 F

Let me try it and my heart will sing

Right now, you can decide to have more. Right now, reach for my gentle hand  
For love, give me the sign I long for. For love, a love-letter in the sand

Em F Dm7 G  
Make up your mind soon, I won't be here for long

Em F Dm G C  
Tomorrow is full-moon and I must have an answer, have an answer... Right now!

Ooooo Ooooo Ooooo Ooooo
